Arrowmen in good standing that have been members for at least 10 months are eligible to walk the Brotherhood Trail. Candidates will also need to write a letter to the Lodge Chief explaining what they think the Obligation means, describe how they have been fulfilling this Obligation in your troop and in your daily life, and how they have used their understanding of the Ordeal to aid in this service, and include description of their plans for giving service in the lodge program. Candidates should arrive having memorized the Obligation, the OA Song, the Admonition, the Sign or Ordeal membership and the OA handclasp.

The day will consist of service, the Brotherhood Trail, candidate interviews and the Brotherhood Ceremony. Please bring water, Class A uniform, Ordeal sash, work gloves and outdoor gear appropriate for the weather.
